2023 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS

Monroe Township FD No. 3

FISCAL YEAR: January 1, 2023 to December 31, 2023

Answer all questions below using the space provided. Do not attach answers as a separate document.

1. When is the Fire District's annual election? (February and/or November)

February

If November, was the resolution submitted to the Division?

2. Complete a brief statement on the 2023 proposed Annual Budget and make comparison to the 2022 adopted budget.

As in the past years, the Commissioners developed the 2023 Budget after carefully considering all factors and related costs necessary to maintain firefighting facilities. Their intent was to minimize any increases in the tax rate while providing continued excellence in fire protection services.

3. **Explain any variances over +/-10% for each line item.** Attach in FAST any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

Revenues

- 1) Increase in the use of unrestricted fund balance to help minimize the tax impact to taxpayers.
- 2) Decrease in interest on investments due to less investable capital as funds were deployed to pay for construction of new firehouse on Schoolhouse Rd.
- 3) Increase in Operating Grant Revenue as fire district has applied for grant for additional equipment.
- 4) Increase in penalties and fines as the firehouse now has a full-time inspector to monitor all the communities and companies within the district.

Appropriations:

- 1) Decrease in Administration expenses as voting ballot prices have corrected without any further expected increases. The Fire District new firehouse is near completion therefore less related professional services are expected.
- 2) Increase in Fringe Benefits as the cost of employee health insurance and related benefits has increased dramatically from 2022 to 2023
- 3) Increase in maintenance & utilities due to managing two fully staffed firehouses. EMS employees are stationed at the firehouse fulltime thus increasing these related costs
- 4) Increase in uniforms and protection gear due to appropriate outfitting the fire fighters with updated gear.
- 5) Increase in General Operating expenses as due to the economic downturn and related inflationary increase in overall costs.
- 6) Decrease in computer equipment as new firehouse is almost completely with updated and furnishing the building with computer equipment.

4. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation, the use of the Restricted and Unrestricted Fund Balance(s) and how they are complying with the Property Tax Levy Cap.

If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

In order to comply with the statutory and state administrative regulations, which requires the Fire District Budget be introduced and adopted within a specified time period, we have used the "initial" (not final) ratable figure provided by the Township's Tax Assessor in our calculations. Based on these calculations, the tax rate will increase from \$.22 to \$.23 per \$100 of assessed valuation.
